Handfield Tops Chief's Exam

MILLBURY - Officer Richard L. Handfield was the top scorer among those who took the promotional exam for Millbury Police Chief in June. Test scores were mailed to applicants' homes last Thursday and Friday. The three top scorers were: Handfield with an 83, Sgt. Lincoln D. Barton, 81, and Sgt. Stephen J. Webb, 76. Six members of the department took the exam. Applicants have 17 days to appeal their test scores.

Handfield, an 11-year veteran of the department, received a bachelor's degree in criminal justice from Northeastern University and a master's degree in criminal justice from Anna Maria College. He credited long hours of study for his high score, and was pleased that his score reflected his effort.

Barton has been a member of the department for 21 years. He holds an associate's degree in law enforcement from Quinsigamond Community College, a bachelor's degree in sociology from Worcester State College, and has completed all the requirements for a master's in Arts/ Criminal Justice from Anna Maria College.

Webb, an 11 year veteran of the department, received his associates degree in law enforcement from Quinsigamond Community College.

Reading Workshop

MILLBURY - Dr. Brendan Walsh, 2nd from the left, Director of the Chapter I Program in Salem, Ma., gave a workshop entitled, "The Wonders of Reading Aloud" on September 17 at the Shaw Elementary School. Present for the workshop were Linda Catallozzi, Betty Orsi, Assistant Superintendent Richard Palermo and Superintendent Alfred Sylvia. This program was funded by the Millbury Parents' Club and the Millbury School Department.

Child Development Program Receives State Approval

Youngsters enjoy play time at the Millbury High Nursery School.

MILLBURY - Millbury High School (MHS) recently received notification of approval for a High School Child Development Program. MHS is the only comprehensive high school in Central Massachusetts to receive approval for the Program. The announcement came in a letter from Staff Qualification Specialist of the Executive Office of Human Services Office for Children, Mary Jo Welch. "We view your graduates as a valuable resource to the field of early childhood," Welch wrote. The approval means that MHS can now train and certify students as qualified teachers for child care.

According to Superintendent Alfred Sylvia, the success of the program is due to the efforts of Sylvia Stepien, Millbury High School's Home Economics Department Head, and Joan Banks, who teaches in the nursery school and directs pre-school activities.

Stepien said the approval will allow high school students who have an interest in early childhood education to graduate from a high school with an Office for Children's certificate. This will enable graduates to teach in a day care setting or pre-school program. Apart from the regular high school classes, the two year program consists of 720 hours of work, half in class and half in a pre-school program setting. In addition, the students must have National Safety Council certification in CPR, First Aid, and Safety.

Board Recesses to Orchard Apartments

By Lawrence Moore

SUTTON - The September 17 meeting of Sutton Selectmen was opened at 7:30 by Chair David Strieby. Present were Selectmen Wally Johnson, Mike Chizy, Mary K. Connor, Rick LaBonte and Town Administrator Dexter Blois. After opening, the meeting was recessed to the Orchard Apartments.

Executive Director of the Orchard Apartments, Jacqueline Lusardi, brought to the Board's attention problems that have arisen with the changing of the landfill hours. Since the maintenance person at the apartments does not work on Saturdays, trash must be stored from Thursday to the following Tuesday. This has given rise to an odor problem that is temporarily being combatted by sprinkling lime on the trash. The Board promised to discuss the problem to find a solution.

The elimination of the street light on Church Street also has been a problem. Lusardi said the housing budget could pay for the restoration of the light, but since the number plate on the pole is missing, she could not take steps to activate the light. Lusardi thanked the town for their continued cooperation in many matters, offering to subsidize the light at a cost of $70 a year.

Strieby said he would refer the matter to the Public Safety Committee which is investigating hardships caused by the elimination of street lights. The committee will determine if the town budget would permit the relighting on Church Street.

Lusardi also called attention to a Housing Budget cutback by the State of 5%, and a probable 5% cutback next year.

Pole Petition

Strieby reopened a pole petition hearing for 512 Central Turnpike that had been recessed on September 10. Present was Al Trychon, New England Telephone Company representative. Trychon said there was no question about the pole location but about what the owner had in mind as the reason for the relocation. "Talking with the engineer who talked to the customer," Trychon said, "the only purpose of relocating the pole was because the owner had been required by the town to put a culvert in. As far as we know, he is not enlarging the road or putting in another road."

The board voted unanimously to approve the petition.

Police Department Appointments

The board confirmed the appointment of the following Police Department part-time employees: Part-time Dispatcher, Joseph E. Bennett III; Part-time Police Officers, Denise Krula, Mark Dubois, Leo Perrault, Jeffrey Briggs. All except Dubois are from Sutton, and all, except Krula, are Special Officers. Krula has been a dispatcher. The appointments were confirmed unanimously.

We The People...

Seeks Support for Jimmy Fund

To the Editor:

The Massachusetts Chiefs of Police Association has been involved with the Jimmy Fund since 1948, when members of our Association visited the Jimmy Fund Building and saw the work that was being done for children suffering from cancer. It was then decided by the members of the Association to make the Jimmy Fund our only endorsed charity and to work to raise funds to assist the doctors, scientists, and technicians in their research and treatment of cancer in children.

I am currently in training for the Eighth Annual "Police Chiefs Run for Jimmy", September 28-29, in which Police Chiefs from across the Commonwealth will participate. We hope to raise $80,000 to benefit cancer research and treatment at Dana-Farber. The run begins Saturday, September 28th in Hancock on the New York/Massachusetts border, and will pass through twenty-four towns before arriving at Dana-Farber in Boston at 4:00 p.m. on Sunday.

Locally, the run will be taken up from Route 20 in Auburn to Route 12, towards Worcester and on to Route 9 travelling to Boston.

All Chiefs in the Association are being asked to pledge a sum of money. As the Police Chief of Millbury, I have pledged to participate in the run from start to finish. If you would like to make a contribution to this worthy endeavor, please call 865-3521 or send a check payable to the Jimmy Fund in care of the Millbury Police Department, 127 Elm St, Millbury. Any amount you wish to contribute will be greatly appreciated. Thank you for your support.

Ronald R. Stokowski
Chief of Police
Town of Millbury

Another Point of View

Wake Up, Little Suzy!

By Lawrence Moore

A few weeks ago I wrote what I thought was an impassioned plea to the people of Sutton. It was all about Democracy, taking advantage of the ability to have a say in the governing of your town, being appreciative of your right to participate, and suggesting that millions of people in other lands were willing to fight and die for what we have and take for granted.

I should have saved my time, thought about something more trivial, and said "who am I to tell people what's good for them?"

At the Special Town Meeting on September 9th, there were fewer than 100 Suttonites in attendance. Over 60 of those were people who, as the saying goes, had an axe to grind. Somehow those people learned that on the Warrant was a proposal to vote $5500 for hydrant rental. The Finance and Warrant Advisory Committee unanimously recommended against the vote. But the $5500 was voted, roughly 60 to 30.

I made the point, a few weeks ago, that when something that affects YOU is on the agenda, you show up. The hydrant people did! It may be that you live in a non-hydrant area and willingly wish to pay for someone else's hydrant. The Fire Chief says we don't need the hydrants. The hydrant people say town fire trucks fill up from the hydrants. They don't say when and how often. Regardless, with money so tight, and many other services being cut, is spending the money on hydrants to serve very few homes the best way to spend money?

I don't know what your answer is.....and I probably never will because you're too uninterested and too indifferent to come to Town Meeting and make your opinion heard.

Now here's the kicker! As of september 9th two petitions are on the Agenda for the October 21st Fall Town Meeting. If passed, they will authorize the Town to Raise or Appropriate $32,094. That will destroy our laboriously balanced budget, possibly delay our tax bills, lower the Town's credit rating, cause us to borrow in anticipation of receipts, cost us money in interest payments..... and who knows what else. It may also eventually cost each and every one of us in Sutton some small additional tax.

If you're willing to sit idly by while a tiny majority of voters picks your pockets, O.K. But when you're getting up the money to pay, you'll set up a howl and blame everybody but yourself.

Of course I don't know how you feel about the hydrants. Perhaps you agree they should be turned on. You're entitled by law to your opinion, and entitled by law to your vote. And that's the point.

In the life of our town, the hydrants are a minor annoyance that surely will pass. The major problems of money we will face in the next few years will affect each of us substantially. We will either pay or do without. You are entitled to have a voice in the control of your destiny, your pocketbook and the welfare of your household.

Visit the Town Hall. Watch the papers. The Agenda will be printed in the Chronicle in time. Make your vote count. Attend the Town Meeting on October 21.

Don't be caught napping. Wake up, little Suzy!

Harvest Supper

SUTTON - The First Congregational Church, Boston Road at the Common, will host a Harvest Supper on Saturday, October 5, with sittings at 5:00 & 6:15 p.m. This family style supper will include corned beef, cabbage, potatoes, turnips, onions, carrots, homemade bread, and apple crisp a la mode. The price of admission is $6.00 for adults, $2.00 for preteens, and 5 and under eat free.

Sutton Historical Society

SUTTON - The Sutton Historical Society will meet Tuesday, October 1, at 8 p.m. at the former Manchaug Baptist Church in the center of Manchaug for the annual meeting and election of Directors for the ensuing year.

Following the business meeting, Elizabeth Brunelli of Franklin will speak on the Preservation of the Franklin Library." Franklin, Ma. was the first town to be named after Benjamin Franklin. Brunelli has spent 15 years in preserving the library and recently received an award for her dedication from the American Association of State and Local Historical Societies. Refreshments will be served following the program. The pubic is welcome to attend.

Millbury Selectmen's Meeting Digest

Town to Join Appeal Against Worcester ZBA

By Edward J. Cooney

SUTTON - The Selectmen's September 17 meeting convened shortly after 7:00 p.m. with four members of the Board present; Selectman Roland Lachance absent. The Board moved smoothly through the short agenda prior to convening in executive session.

Administrative Assistant Earl Chase reported that he is waiting to hear from legal counsel for the Upper Blackstone Water and Sewer Abatement District on any action toward negotiations with the Town for increased revenues beyond the $1600 per year the town presently receives.

He also told the Board he could not find any town bylaw concerning the publishing of all town employees' salaries using their W-2 forms. He said he would check with the Town Clerk to see if it is under Special Bylaws.

Licenses

Gauthier raised an issue concerning a Class II license issued by the Board several months ago to Ed Quinlan, d/b/a Custom Auto Sales, 328 Main Street (Rte. 146). At that time, the board placed a limit of 12 cars on the lot at any one time. Gauthier alleged that the business is in violation as he personally has observed 14-16 cars on the lot.

Chase said the Board could have a public hearing to revoke the license and/or give the owner a ticket that carries a $50.00 fine per day for each ticket issued. The Board voted 3-0 to have the Zoning Enforcement Officer issue a ticket.

At 7:30 P.M. the Board held a public hearing on the application of Mark Page of Auburn for an all alcoholic beverage license for the premises at 134 Providence Turnpike, to be known as "Fireside Steakhouse."

Page was represented by Attorney Richard Croteau, who presented the Board with particulars relating to the operation and management of the restaurant. He said Page will be on the premises at all times and will be assisted by his sister and father. He also said that Page wants to sit down with the Police Chief to review any issues and concerns the police may have.

The Board voted unanimously to approve the application.

Appeal

Town Planner David Hulseberg was given permission to use Town Counsel to file an appeal on a matter heard by the Worcester Zoning Board of Appeals that has a bearing on Millbury residents living on Wales Street. Hulseberg said the issue involves Teleprime Systems property at 479 Southwest Cutoff in Worcester.

Hulseberg said he appeared at a hearing in Worcester on behalf of the Planning Board to express some of their concerns. The Worcester ZBA did not adhere to any of the Planning Board's concerns nor those of the residents of Wales Street whose properties abut Teleprime.

Hulseberg said Mr. Rogers of Wales Street is playing a prime role in a lawsuit and he (Hulseberg) asked that the town join and be a party in that suit. He explained that one of the Planning Board's concerns deals with the access of Foxboro Street through Wales Street.

Hulseberg also said the ZBA in Worcester failed to address the noise factor that could result from the company servicing light construction equipment. "They (ZBA) showed no concerns," Hulseberg said, "except that reasonable landscaping needed to be installed in order to protect the residents of Millbury."

He also said that if he understood it correctly, Teleprime employees will be able to enter through Wales Street in Millbury, but business customers would have to enter through Rte 20. Hulseberg said he asked how such a thing could be policed.

Cristo asked, "Worcester essentially is saying it's okay to use a residential street in Millbury to reach a street in Worcester that is in an industrial zone?"

Hulseberg replied, "Absolutely".

Cristo then remarked, "And you want to build an industrial park with Worcester?"

Hulseberg replied that it would be in another location.

Police Business

Provisional Police Chief Ronald Stokowski gave the Board a brief report on his recent 11-week involvement at the F.B.I. Training Academy in Quantico, Virginia. He said it was one of the best experiences he has ever had.

Stokowski then asked the Board to grant a waiver for his department for a recent cutback in hours for part time dispatchers. The board had sent a directive that no part time employees should work 20 hours per week.

Stokowski said he has had complaints from the full time dispatchers that they are working too many overtime hours. He also said the part timers have indicated they would not make use of the health benefits or unemployment benefits if they are allowed to work a 20 hour per week schedule.

Cristo said he was not aware of the situation, but did not think it was the intention to increase overtime costs. "We should not be doing anything that is going to cost us more

A little
neighborly help.

When you need help, a good neighbor will find a way to lend a hand. (In this case, a horse.)

And helping neighbors is what we do for a living.

The one goal of our independent community bank is to support our local communities, residents and businesses.

Your deposits are put to work right here where we all live and work. They're invested in loans to help the local economy and to create local jobs.

No distant office can order us to ignore the needs of our neighbors and to invest your savings somewhere else.

Nobody can tell us not to lend you a hand — and that makes us easy to remember when you choose a bank. . .

We're the neighborly one with the horse.

SELECTMEN from Page 3

money," he said. He suggested that the issue of the part timers not taking advantage of the benefit package be run by Town Counsel.

The board approved a motion on a 3-1 vote to allow the part time dispatchers to work overtime based upon the information given by the Chief that they will not ask for benefits.

Selectman Gerry Bleau voted in opposition. He said he was opposed to making an exception for one department and he didn't think it appropriate to manage government by exception. "That will lead us down the primrose path," he said.

Leftover Tonnage

Cristo raised the issue of trying to broker any leftover tonnage available at Wheelabrator that could bring in money for the Town. He noted that last year he was outvoted but wanted to bring the issue up again since there are only 12 weeks left in this year. Cristo said 500 tons were left over last year which was higher than projected by the Board of Health.

James Dwinell, Chairman of the Board of Health, told the Board there would be less tonnage left over this year because at present the dumping at Wheelabrator is higher than last year at this time. Dwinell said he personally is opposed to selling the excess tonnage, a position he has taken in the past.

Dwinell said he would run the issue by his board and noted that the town still has to deal with the Telegram and Gazette moving into town.

Cristo said he could recall that the T&G had plans of its own for recycling.

Executive Session

At 8:15 the Board moved to executive session on a roll call vote to meet with Town Counsel Karen Kelly and Hartford Insurance Counsel Frank Buendo to discuss matters pertaining to litigation brought against the Town by The Paul Revere Condominium Association. Following almost two hours of closed session, the Board returned to open session and read several letters.

Correspondence

A letter was read from the Belisles of Grafton Street who are abutters to the Mass. Electric substation, requesting information on why Administrative Assistant Earl Chase took it upon himself to personally notify Electric Company officials about a proposed town bylaw on the warrant for the special town meeting. The letter asked if those town residents potentially affected by the bylaw were also personally notified.

The board received a copy of a letter from Catherine Eager, Business Agent for Local 495, to Personnel Board Chairman Kevin Barrett, indicating that the Local finds that an application form used by the Personnel Board is in conflict with the contractual agreement between the Local and the Town. Eager said the Local has notified its members to refrain from filling out the form until the Union has an opportunity to meet with the Personnel Board.

Two letters were received from Fire Chief Phil Day, Jr. One letter detailed actions taken by former Fire Chief Tom Nault on August 19, the day Hurricane Bob hit the area. "It is my opinion that his decision to take a piece of fire apparatus home on that day was a very unprofessional move," Day wrote. "The unit in question, the Forest Fire Truck, is under his control as Forest Fire Warden. However, Engineer Nault is very much aware that this unit is part of many standard operating procedures followed by the Fire Department. With the state-of-emergency in effect, this unit should have been manned and in service during this emergency."

Day said he had also asked Nault to respond to Station 3 to help man that station. "I was informed by a firefighter who was dispatching from Headquarters that Engineer Nault called and would be staying home with his family," Day wrote. "I returned his call to confirm this and requested that he return the Forest Fire Tuck to East Millbury. He refused. I was informed that this unit was returned to East Millbury much later that day.

"This type of behavior is not what is expected of, nor would it be tolerated by, any other member of this department. I feel action from your Board is necessary to prevent this type of incident from recurring during future emergencies of this type."

The Board took no action.

In a related issue, Day wrote that because of recent events, any correspondence not having his signature on it is not to be considered as having the approval of the Board of Fire Engineers.

From My Window on Farnsworth Court

By "Pastor Rae" Cameron

Two lovely young ladies came to our house recently, and they were selling candy bars for the Millbury High School Band. Well, they came to the right place. We have a son who is head of the music department for Belfast Area Schools in Belfast, Maine so bands are our weakness. I bought from both of them.

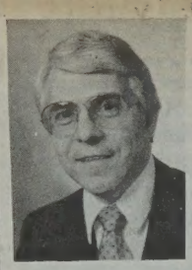
It seems they are taking a band trip down to Virginia Beach, Virginia. Every year I lose my wife to Belfast so she can stay with our grandchildren while their folks take their band on a trip. What a wonderful experience.

John Debryant of Song Time always says that music is the universal language of mankind. That is so true. We recently did a Singspiration on the Common right here on Farnsworth Court, and it was a big hit. We hope to do more another year, and I hope in the meantime that we will have some singspirations between our various churches. Many thanks to all who took part in this initial program.

If you will take your Bible and split it into two sections, you will find that right there in the middle is the book of Psalms. The word Psalms means to rub or strike. The way you make music is to rub something or strike it in some manner. How true of life. The most beautiful music comes from the hardest parts of life. In sickness or in sorrow, music has such a calming effect. I remember as a boy we would drive along in our family car and sing the old gospel songs and hymns, and every so often my dad would say, "That's a funeral hymn."

How else to better praise the Lord than in song. It reaches down into the innermost part of our beings and with the Psalmists of old we sing, "Bless the Lord, oh, my soul and all that is within me bless his Holy Name." Amen...

THE LASTING GIFT



If you're a parent or grandparent, you can make a gift today, for that favorite child, that will last forever. A single $2,000 deposit today will provide an estimated $50,000 of death benefits for life and a compounded high-interest return on the deposit. This is a gift that will never stop giving.

Call us for an explanation.

HERE'S WHAT ONE CLIENT HAS TO SAY ABOUT OUR SERVICES!!

September 10, 1991

Dear Staff:

I realize that Friday last, 9/6/91, was probably Zachary's last regularly scheduled day at Pakachoag Acres. It seems like yesterday that he started Day Care. You have been a part of our lives for so long, I can't imagine life without you. If you continue your part-time, on call policy, I'm certain Zachary will cross your threshold again.

It feels good to be able to leave a place feeling good. The care Zachary received while there and the consideration we, as parents, received was most satisfying. I thank you all for your sterling efforts and hope to run into one or all of you occasionally. I'll miss you and if ever I can help you in some small way - please do not hesitate to ask.

With fondness and gratitude,
Geraldine Brophy

Beacon Hill Roll Call

BOSTON - This week's Beacon Hill Roll Call records the votes of Senator Matthew Amorello (R-Grafton) and Representatives Richard Moore (D-Uxbridge) and Paul Kollios (D-Millbury) on roll calls from the week of September 9-13 and September 16-20.

Moore was in Washington the week of September 9-13, meeting with legislators to discuss the possible siting of an airport on the Uxbridge/Douglas line.

WEEK OF SEPTEMBER 9-13

VIOLENCE PREVENTION (H 5800) - House 119-30, Senate 33-2 overrode Governor Weld's veto of $100,000 for the administration of the office of violence prevention. Override supporters said this small amount of money is a major first step in the battle to combat the epidemic of violence in homes and schools. Veto supporters said the state cannot afford the money and argued that the override simply creates two new jobs in which people will do work already being done. Amorello and Kollios voted for the $100,000.

EMPLOYEE OWNERSHIP (H 5800)- House 113-38, Senate 32-3 overrode Governor Weld's veto of $72,000 for a program to promote employee involvement and ownership in the workplace. Override supporters said this funding will allow the state to help employees buy out failed companies and will ultimately reduce unemployment benefits and prevent tax losses. Veto supporters said this type of support role should be performed by experts in the private sector. Amorello and Kollios voted for the $72,000.

TESTING SKILLS (H 5800) - House 126-25, Senate 29-6 overrode Governor Weld's veto reduction from $1.1 million to $553,000 for the development, administration and scoring of statewide assessment and basic skills tests. Override supporters said this cut will make the education crisis worse and argued the testing is necessary to identify students who are falling between the cracks. Veto supporters said the Governor believes the testing can be done with $553,000 and said continuous overrides will create a new budget crisis. Amorello voted for $553,000; Kollios voted for $1.1 million.

SCHOLARSHIPS (H 5800) - House 120-32, Senate 35-0 overrode Governor Weld's veto reduction from $35 million to $26 million for a higher education scholarship program. Override supporters said this account has already been reduced from $56 million and claimed the further reduction would hurt thousands od students. Opponents said the state simply has to tighten its belt to balance the budget and cannot afford the entire $35 million. Amorello and Kollios voted for the $35 million.

GENERAL RELIEF (H 5800) - House 100-45 override Governor Weld's veto reduction from $94.8 million to $21.5 million for the General Relief program and 105-37, overrode Governor Weld's veto reduction from $21.3 million to $5.7 million for medical services to the General Relief recipients. Override supporters said any reductions in or narrowing of eligibility will hurt thousands of people who depend on the state for help. They claimed the veto will also end up costing more in other ways including more shelters and increased crime. Veto supporters said the reductions are designed to fund existing higher and broader benefits through September 30 only. They urged the House to sustain the veto and then consider a Weld proposal to limit aid to the truly needy elderly and disabled. Kollios voted to override Weld's veto on both roll calls.

CHELSEA (H 6036)- The House and Senate passed on a voice vote, without a roll call, the bill naming a receiver to take over Chelsea's government. On the only roll call on the matter in either branch, the Senate.26-11, rejected an amendment allowing the mayor of Chelsea to increase property taxes in the city by $3 million. The amendment also requires the mayor to raise the taxes within 30 days or the receivership will not go into effect. Amendment supporters said Chelsea residents should be willing to kick in some money to allow the receiver to do his or her job before the state is forced to come up with the money. Opponents said giving the mayor this unilateral power is outrageous and charged this is the first step toward dismantling Proposition 2 1/2. Amorello voted against the amendment.

WEEK OF SEPTEMBER 16-20

BOND ISSUE (H 6080) Senate 23-1, House 135-0, gave final approval and sent to the Governor a lengthy and complicated 29 page $197 million bond issue. Supporters said the measure is designed to refinance some state debt as a way of boosting the State's credit rating and freeing up available cash for other purposes. They noted that in prior years, administrations often used short term resources to finance long term projects that should have been bonded over many years. Opponents offered no arguments. Amorello, Moore and Kollios voted for the bill.

ELECTION - Senate 18-14, referred to the Rules Committee an order establishing a December 10, 1991 primary election and January 7, 1992 final election to fill in the vacant Senate seat of former Senator Mary Padula (r-Lunenburg). Supporters of the order, noting these are the earliest dates allowed by law, said the voters of that district deserve representation in the Senate and accused Senate President Bill Bulger of partisanship in dragging his feet and not yet establishing a date for these elections. They argued Bulger has more control and power with one less Republican in the Senate. Opponents said the Republicans played games when Padula waited to resign so that a favored Republican candidate, who voted in the last Democratic primary, would be eligible to run. They said the matter should be studied and noted the proposed dates would be in the middle of the winter and bad weather. Amorello voted to keep the matter alive on the Senate floor.

Editors' Note: Later in the week, the Senate postponed until Monday an order establishing February 11 as the primary and March 10 as the final election. March 10 is also the date of the 1992 Massachusetts Presidential Primary.

TV - Senate 17-14, refused to immediately take up the motion to discharge the Rules Committee from further consideration of the order immediately opening the Senate to radio and TV coverage. The order requires avoidance of any disruption in the Senate and mandates that the coverage be provided at no cost to the state. Supporters said the order has been tied up in the committee and argued it is time to open up the Senate to cameras and allow voters to see what goes on in the chamber. Opponents said this rushed coverage is irresponsible and argued that orderly coverage will be arranged shortly. Amorello voted for immediate consideration of the discharge motion.

DEADLINE

The deadline for all submissions to the Millbury-Sutton Chronicle is Saturday noon of the week prior to publication. The office is closed on Saturdays, but announcements, subscription renewals, etc. may be left in the mail box to the right of the side entrance door.

ORBITAL
SANDER/STRIPPER 600B

Introducing...
the perfectly balanced ORBITAL FLOOR MACHINE

Use on WOOD or CONCRETE...
- Sands edges, sides, corners
- Only ½" clearance required
- No torque! Easily controlled
- Sandpaper and strip screens are easily placed under the flat orbital plate
- *Eliminates* the swirls that result from 'rotary floor machines'
- *Eliminates* the grooves that result from misused 'drum sanders'
- *Eliminates* uneven scoring resulting from using 'edgers'
- *Eliminates* the use of 'hand scrapers'

The flat level pad surface makes it possible to remove or scarify wood surfaces fast and easy without ripples.

Use on Resilient Floors/Soft Floors...
- Requires very little water and stripper
- Strips edges, sides, and corners!
- DOES NOT SPLASH

New Report Outlines Plan To Improve Narragansett Bay

Planning for a Better Bay, a new report by the Narragansett Bay Project (NBP), summarizes six years of NBP-funded research and planning activities designed to improve and protect water quality and natural resources in Narragansett Bay and its watershed. For a complimentary copy of Planning for a Better Bay, contact the NBP toll free at 1-800-755-plan.

The report summarizes the "bottom line" on what is now known about pollution in the Bay, pollution sources, pollution impacts on Bay organisms, potential public health risks from pollutants, and the impacts of population growth and land use activities on bay water quality. The report also describes the process of developing and adopting the forthcoming Narragansett Bay Comprehensive Conservation and Management plan (CCMP). In addition, the report also presents preliminary recommendations in the following issue areas: sewage contamination, public health risk and toxic contaminants; combined sewer overflows; Mt. Hope Bay; and long term monitoring. This report also summarizes the public's role in the development of the CCMP and describes opportunities for public comment on the draft CCMP (due in December 1991).

Children's Program

MILLBURY - Grace Baptist Church of West Millbury will sponsor a free Saturday program for children ages 4-12 from September 28 through December 22 from 9 a.m. to noon.

According to the Rev. John D. Kuespert, pastor, the program will include a production of a children's Thanksgiving and Christmas play, Thanksgiving and Christmas parties, and Christmas gift crafts to be made by the children. Preregistration is required. The program is limited to 30 children. To register, call the church at 865-2750 or the pastor's study at 839-7422.

Pot Luck Supper

MILLBURY - The Women's Fellowship of the First Congregational Church on West Main Street will hold a Pot Luck Supper on Thursday, October 10. Remember to bring your own place setting and also to bring a friend and an item for the Silent Auction. Following a short business meeting, there will be a Silent Auction by Chris Rudge and Jeri Stead. A program of "Flatirons Through the Ages" will be presented by George Fougere.

Chairwomen for the evening are: Helen Sauer, Wendy Scanlon, Barbara Stansbury, Charlotte Stockwell, Myrtle Witter and Sue Witter.

Recently Wed

Miss Lori M. White and Eric Iwaniuk were married September 8 in Our Lady of the Assumption Church, Millbury. The reception was held at Pleasant Valley Country Club, Sutton.

The bride, the daughter of Mr. and Mrs. Armand O. White of 3 Millbury Avenue, is a graduate of Blackstone Valley Regional Vocational Technical High School. She is employed by State Mutual Life Assurance Company of America.

The bridegroom, the son of George E. Iwaniuk of 15 Arcadia Street, South Grafton, is a graduate of the same high school and is employed by Aronson Tire Company.

After a trip to Walt Disney World in Florida, the couple will reside in Millbury.

Special Education Services

MILLBURY - The Millbury Public Schools provide special education services for students with a variety of needs. A person in need of special education is anyone aged 3-21 up to his/her 22nd birthday, who has not received a high school diploma or its equivalent.

Programs have been established that provide for a flexible and uniform system of educational opportunities for all children requiring special education. Inquiries regarding special education in general should be directed to the Office of Special Services at 865-9503.

Harvest Craft Fair

AUBURN - The G.W.F.C. Auburn Junior Women's Club will sponsor a Harvest Craft Fair on Sunday, November 17, from 10-4 at the Auburn Lodge of Elks on Southbridge Street. Craftspeople, professionals and amateurs, are welcome. Original artwork or crafts only. Reserve your space now at $35.00. For more information, call Nancy at 832-7639 or write A.J.W.C., P.O. box 442, Auburn, Ma. 01501.

SUTTON from Page 1

Meeting budget revision, of the impact of salary and hour changes among town employees. All town employees not up to 5% were brought up to 5%. Aside from some "special rates," Blois said the town Personnel Chart would remain intact. He had reviewed the action with employees and reported agreement with the changes.

Connor suggested a review of progress in the personnel system, and a review of the chart. She thought this might be a project of the Budget Committee.

Blois agreed with the review of the work that had gone into personnel planning over the past few years saying, "If it's at all possible, it would be great to be able to say that this is a Town Personnel Report and not a Town Hall Personnel Report."

Chizy said "Amen."

In a meeting with Town Hall employees, it was decided that town offices will be open from 9 to 4 Monday to Thursday, and from 9 to 12 on Fridays. Some employees would work additional hours, but all would be available during the above hours. This took effect on September 16.

Considering that the Landfill attendant is needed in the highway department, and since there has been (except for Orchard Apartments) no problem with the current schedule, it was suggested, after much discussion, that the current landfill hours be maintained.

Activities Program

Two members of the Council on Aging, Lois Cofske and Virginia Merrill, were present to begin work on an activities program in conjunction with the Board. The Council suggested that Connor, because she proposed the idea, and LaBonte, because of his involvement with the Veterans Field Program, represent the Selectmen to form a nucleus group to explore and develop the idea. It was suggested that the committee be enlarged to include youth representatives and that the program be called an Intergenerational Activities Program.

Mary Arakelian, a member of the Council on Aging, felt that Strieby's suggestion to recruit members of the National Honor Society should be reconsidered. "I would like to see a free spirit there," she said, "of somebody who wanted to participate but who was not an Honor student. You're encouraging people to ask why they always want an Honor student to do it."

It was left to the committee to determine enlarged membership. Cofske and Merrill will set a date and call a meeting.

Town Meeting Articles

Connor suggested preparing the text for a Non-Binding Referendum to "send a message to the State House that we, as a Town Meeting, are opposed to the locating of an airport in Uxbridge-Douglas."

A resident commented that Representative Moore had written to Legislators and officials informing them that aside from all other considerations, the Massachusetts Aeronautical Commission had broken Public Law 99-647 by failing to consult the Blackstone River National Heritage Corridor Commission about its plans. The Commission must be consulted on any project that will disrupt, disturb or impact the Heritage Corridor.

Articles include the raising of parking fees, allowing the Recreation Commission to set fees, establishing handicapped parking regulations, changing the probationary period for town employees, mailing Warrants to all registered voters, and a Special Act to change the time of the Annual Town Report so it will correspond in time with the fiscal year reports of town departments.

The petitions to accept roads in the Pine Ridge development await reports from the Planning Board and the Town Engineer.

"I would hope on those roads that we don't come back next year and find out all kinds of things wrong and that we should not have accepted them because this wasn't done or that wasn't done," Chizy said, "and avoid running into the same kind of bull that we ran into on Skyeline Drive."

LaBonte asked Blois to make certain the Town Engineer makes his study and report on time.

The recreation fee article stimulated a discussion about the use of fees. Connor reiterated her position that fees collected must be used for programs and not for maintenance and improvements, according to law.

Blois said the fee article would help the Enterprise Trust Project to go forward and allow the Recreation Commission to run a better program.

Miscellaneous

- Lawrence Moore of Stone School Road was appointed to fill the unexpired term of Karen Maynard on the Housing Authority. He will serve until the next town election.

- Bud Gurney was appointed to fill a vacancy on the Historical Commission.

- A revised list of Goals and Objectives was presented to the Board by Blois for discussion at a future meeting.

- Johnson called attention to the tattered condition of the flag on the Common. Blois will acquire another flag from Washington. Johnson suggested looking into a method of lighting the flag 24 hours a day.

Upcoming Events at Notre Dame

WORCESTER - Notre Dame Des Canadiens Church, 5 Salem Square, will be the site of two fall events: On Sunday, September 29, at 3:00 p.m. in the Sanctuary, the Salisbury Singers will perform "Liturgy of St. John Chrysostom," with music by Sergi Rachmaninoff. This unaccompanied work will be sung in Slavonic, and is ideally suited to the magnificent acoustics of Notre Dame Church. This is a free concert.

On Saturday, October 5, the church will hold its annual Fall Bazaar in the Church Hall from 10:00 a.m. to 6:30 p.m. Highlights will include games, christmas shop, penny social, art corner, jewelry table, white elephant table, bake table, many special raffles, good food and more.

SCORE Services

WHITINSVILLE - Free business counseling is being made available on Fridays at the new Blackstone Valley Chamber of Commerce offices at 56 Church Street by SCORE, the Service Corps of Retired Executives. Sessions are available by appointment only.

SCORE assists individuals starting businesses or facing problems with existing businesses. Help with business plans, loan applications, marketing, advertising, bookkeeping and every other aspect to keep ahead in today's business world are provided by a SCORE team on a confidential basis and at no charge to the client. To schedule appointments, call 234-9090 or at 753-2929.

Haunted House

WORCESTER - The Greater Worcester Jaycees will conduct their Annual Haunted House Program, "May St. Madness Multiplies," in October on the grounds of Fairlawn Medical Center on May Street. The proceeds from this event are donated to area charities and to help innovative programs serving those in need in the Greater Worcester Community.

The Haunted House will officially open to visitors on Friday, October 4, from 6:30 p.m. until 9:30 p.m. and will then be open every Friday from 6:30-9:30 p.m. in October as well as each Saturday and Sunday from 4-9:30 p.m. In addition, the Haunted House will be open Monday, October 11, from 4-9:30 p.m. and October 28-31 from 6:30-9:30 p.m.

Tickets are $3.00 for adults and $2.00 for children. Group rates for 15 or more people are available. Group sales may be arranged by calling the Greater Worcester Jaycees at 853-3525.

FIRE PREVENTION WEEK OCTOBER 6-12, 1991

School Committee to Review Dance Policy

By Edward J. Cooney

MILLBURY - The School Committee meeting of September 18 convened at 7:30 p.m. with all members present.

Following a brief report from Todd Williams, Student Representative to the School Committee, Chairman Chet Hanratty asked that the committee address the agenda item relating to events that happened the evening of September 13 at a high school dance. Assistant Principal Charles Caparelli gave a brief report.

According to Caparelli, prior to the incident, between 7:30 and 10:30 P.M., everything was going well at the dance. "The lights were on in the gym, the last song was being played, and then a fight broke out between one of our students and a guest," Caparelli reported. The fight lasted at the most between 15-30 seconds and was broken up by Caparelli and one of the chaperons.

"My immediate concern," Caparelli continued, "was to get the guests out of the building and take our student to my office. We had parents coming in at that time which just diffused the whole situation. We removed the guests from the building. They stood outside, in front of the building. I asked them to leave the school grounds; they refused to do so. That is when I went back into my office to call the Police. By the time I got back out to the front of the building, they were down in front of the lower teacher parking lot. I went down there to make sure no more trouble started and that our students did not start another fight with them. I again asked them to leave, and all I did was to get arguments from them. A Millbury Police cruiser pulled up, and I asked Patrolman Hall just to get them off of school grounds. The Millbury cruiser, as far as I know, took them and left them off at the Millbury-Worcester line."

Caparelli said he then went back into the building to secure it, and was approached by a student who said one of the chaperons wanted to see him out front down by the cafeteria because a jacket had been found. "I went down to that area," Caparelli said, "I found a jacket and inside I found two revolvers. I was later told by Patrolman Hall that one was a 22 semi-automatic with a clip and was loaded, and another was a 22 revolver. As we walked out to the patrol car," he continued, "one of the cars that had transported the students to the dance and picked them up at the end was back to pick up the jacket. At that point, Patrolman Hall and two other cruisers, after the car had pulled out of the school grounds, stopped the car. As far as I was concerned, my obligation was over. Not at any one time, to my knowledge," he said, "was any one of those handguns inside of the building. We had a report from a parent that when we took the guests out of the building, one of the boys who was a guest went down to the teachers' parking lot and came from that bottom parking lot with a jacket, walked right by her car, and left the jacket right by the door, and again walked right by her car. She was the one who notified us about the jacket. As far as we can theorize, in talking to students and other chaperons who were there, no one saw that jacket inside the building."

Hanratty asked Principal Dan Carmody if there were any plans to change the policy of allowing guests to attend the dances.

Carmody replied that the faculty has been made aware of events and some have volunteered to serve on a committee to re-examine the policy. He said it appears that the policy of guests has been misused.

A dance for 7th and 8th graders scheduled for November is closed to guests and will be held as scheduled. Any other dance proposals will be deferred until the committee comes forward with recommendations.

Superintendent Alfred Sylvia said he was extremely pleased over the way the situation was handled by staff members, saying they had "diffused a potentially explosive situation. Firearms were never used. It could have been a tragic situation; it was not. It's now a police matter," he said.

Provisional Police Chief Ronald Stokowski said it was a long-standing policy years ago to have a police officer on duty at dances. He also said he realized that the present economic condition may make the cost factor seem prohibitive. "I felt that everybody acted way up and beyond what you would expect them to do," he said. "Fortunately, this past weekend nothing happened. It should be police officers dealing with situations like that as opposed to school faculty." Stokowski also said he or his representative would be available to serve on a committee to review the dance policy.

Miscellaneous

- A drug education program for athletes will be held in the evening on October 8.

- The Committee approved a request from High School Principal Dan Carmody to pay a present aide at the high school an additional $9.00 for one period a day to take a load off teacher Dave Wilbur who has a class of 33 Level III students. The aide would help split that class and relieve Wilbur of a heavy load. Carmody jokingly said he expected that Wilbur would probably run out of gas by the end of the first marking period.

- The Committee also approved Sylvia's recommendation to hold the bi-annual dinner honoring all school department employees having completed 15, 20, 25, and 30 years of service. It will cost about $800 for the dinner in the High School Cafeteria.

- Sylvia reported on selections for Teacher of the Year for each building: Elmwood, Nancy Tabor; Shaw Elementary, Judy Toscano; High School, Laurie Boberg. They will be honored at a dinner given by the V.F.W. in February.

- High School student Shawn Adams has been chosen as a National Merit Scholarship Semi-Finalist based upon his score of 212 on the National Merit Scholarship Test. The Committee will send Adams a letter of congratulations.

- The Committee approved two transfer requests from the Instruction Account: $15,000 to the Operation and Maintenance Account and $25,000 to the Fixed Assets Account. Business Manager Sue Pierce said the transfers were a result of adjustments made prior to the Town meeting and were not transferred to the Town Clerk.

Prior to adjournment, the Committee moved to executive session to discuss questions relating to bargaining with the school nurses.

On The Shelf

By Rosemary Waltos

In Robertson Davies' award winning, satirical and witty Tempest-Tost, he describes the book lover as a "victim of the lust for books which rages in the breast like a demon, and which cannot be stilled save by the frequent and plentiful acquisition of books. This passion is more common, and more powerful, than most people suppose. Book lovers are thought by un-bookish people to be gentle and unworldly, and perhaps a few of them are so. But there are others who will lie and scheme and steal to get books as wildly and unconscionably as the dope-taker in pursuit of his drug. They may want the books to read immediately, or at all; they want them to possess, to range on their shelves, to have at command. They want books as a Turk is thought to want concubines - not to be deflowered, but to be kept at their masters call, and enjoyed more often in thought than in reality."

If you find even a small measure of yourself in this description, don't miss the Annual Book and Bake Sale sponsored by the Friends of the Millbury Public Library on October 5 from 9 a.m. to noon, rain or shine. Our good friend Irene Army will once again man the Friends' bake table, offering homemade baked goods that promise to make your mouth water.

Booklovers trying to make room on their shelves for new acquisitions, the Friends are happy to accept book donations before the sale. Just drop off your donations at the library during business hours. Baked good donations are also much appreciated.

The Friends of the Millbury Public Library is a non-profit, educational and charitable organization. Its objectives are to increase public awareness and the use of the library's resources and services; raise funds to support library activities; serve as a liaison between the library and community, and receive and encourage gifts, endowments, and bequests. For more information about the Friends of the Millbury Public Library and how you can become a Friend, call 865-1181.

Women's Bowling League

The three high triples last week were rolled by: Becky Rushton, a 317 with strings of 88-110-119; Mary Jo Boire, a 291, strings of 106-88-97; and Charlotte Gabree, a 288 with strings of 106-94-88.

Rolling 100 and over were: Becky Rushton, 119-110; Charlotte Gabree, 106; Mary Jo Boire, 106; Bridget Grenier, 104; Joan DeSantis, 102; and Pat Gaspar, 102.

Millbury Women's Club

MILLBURY - The next meeting of the Millbury Women's Club will be held Monday, October 7, at the First Congregational Church, West Main Street. A mini lunch will be served at noon, followed by a business meeting at 1:00 p.m. This month's program will feature "Apples" by Elaine Loehmann and Karen Beaudoin.

Co-chairwomen for this meeting are Carolina Pescheta and Mildred Michelson. They will be assisted by Rose DeToma, Rosemary Waltos, Alice Corey, Ellen Norton, Ida Vartanian, Phyllis Howe, Bertie Royal, and Barbara Vaillancourt.

New Millbury Resident

MILLBURY - John and Fran (Boria) Pearson have announced the June 30th birth of their son, John "Cody" Pearson. Grandparents are Mr. and Mrs. Bob Pearson of West Main Street, Millbury and Pat Boria of Davis Road, Millbury. John Cody also has a 2 1/2 year old sister, Brittany.

Bring a Friend to Church

MILLBURY - On Sunday, September 29, the Millbury Federated Church will hold a special service of worship. An invitation is extended to attend and "bring a friend." Activities will be planned to keep visitors in mind so they can participate and experience "the Christian Life." The Reverend J. Clifford Davis, the church's new pastor, will offer a sermon entitled, "The Basic Relationship With Jesus."

The Worship Service will begin at 10:00 a.m. Church School is also at this hour. Child care is offered. Coffee fellowship will follow in the vestry.

Craft Show

SUTTON - The Women's Fellowship of Sutton will hold a Craft Show on Saturday, October 19, at the First Congregational Church from 10:00 a.m. - 4.00 p.m. There will be a bake sale featuring Autumn treats. Lunch will be served. Proceeds will benefit the Scholarship Fund.

Upcoming Events for Woolie World

MILLBURY - Upcoming events to benefit the Woolie World Super Park project are as follows:

October 19, Womens' Florida Style Golf Tournament at Clearview Country Club. More information will be available soon.

October 25, 2nd Annual Halloween Party at 8:00 at the V.F.W. on South Main Street. Tickets available soon.

January 25, Lip Sync Contest at Millbury High School.

The Super Park Committee meets at the Town Hall the 4th Wednesday of every month. Anyone needing more information about upcoming events can call Peg Spang at 865-2504, Kelly Gallagher at 865-1802, or Jan Morin at 865-5652.

Town of Millbury
NOTICE OF PUBLIC HEARING

The Board of Selectmen will hold a public hearing on Tuesday, October 1, 1991 at 7:45 P.M. in the conference room of the Municipal Office Building, 127 Elm Street, Millbury, in accordance with the provisions of MGL, Chapter 40, Section 56, as amended by Chapter 369 of the Acts of 1982 and Chapter 79 of the Acts of 1983, for the purpose of receiving public comment relative to the adoption of a residential factor in the amount not less than the minimum established by the Commissioner of the Department of Revenue and the determination of the percentages of the tax levy to be borne by each class of property for the fiscal year 1992.

The Board of Assessors shall provide all information and data relevant to making a decision on allocating the tax burden including the fiscal effect of the available alternatives.

Public comment may be oral at the hearing. Written comments will be received up to and including the time of the hearing.

It is the intent of the Board of Selectmen to provide an open forum for the discussion of local property tax policy.

Board of Selectmen
Town of Millbury
September 26, 1991

Town of Sutton
NOTICE OF PUBLIC HEARING
TAX CLASSIFICATION

In accordance with MGL Chapter 40, Section 56 as amended, the Sutton Board of Selectmen will hold a public hearing on Tuesday, October 1, 1991 at 8:00 P.M. in its chambers at the Sutton Town Hall for the purpose of determining the percentage of the tax burden to be borne by each class of property for Fiscal Year 1992.

The Sutton Board of Assessors will be in attendance at this hearing to provide information and data relevant to making such determination and the fiscal effect of the available alternatives.

All Sutton taxpayers are invited to attend this hearing and to present their comments and views orally or in writing.

Dexter P. Blois
Town Administrator
September 26, 1991

Stokowski Completes Training at FBI Academy

QUANTICO, VA - Two hundred and forty-seven law enforcement officers, including Millbury's Provisional Police Chief, Ronald R. Stokowski, graduated from the FBI National Academy at Quantico, Virginia on September 13. This 166th Session of the National Academy included men and women from 47 states, the District of Columbia, Puerto Rico, 16 foreign countries, five military organizations, and two federal civilian organizations.

Stokowski said he attended the Academy to increase his administrative skills and his knowledge of police procedures for the '90's. He had high praise for the program which he said followed a holistic approaching, dealing with: forensics, labor relations, community policing in the '90's, constitutional and criminal procedures, ethics and discipline, physical fitness, operating controls, departmental policies and procedures, and firearms.

"The best part of the Academy was the network created in law enforcement," Stokowski said, "providing us with contacts worldwide. If we need information or assistance from another state or even another country, we have a person to contact to pull out all stops for the request."

Internationally famous for its academic excellence, the National Academy, a program held at the FBI Academy, offers 11 weeks of advanced investigative, management and fitness training for selected officers having a proven record as a professional within his or her agency. On the average, these officers have 16 years of law enforcement experience, and usually return to their agencies to serve in executive level positions.

Training is provided by FBI Academy instructional staff, Special Agents holding advanced degrees, many of whom are recognized internationally in their field of expertise. Since 1972, National Academy students have been able to earn undergraduate and graduate credits from the University of Virginia due to the accreditation by the University of many of the courses offered.

A total of 24,387 graduates now represent the FBI National Academy since it began in July, 1935. Of this number, more than 15,000 are still active in law enforcement work.

School Pictures

MILLBURY - Millbury Memorial Jr./Sr. High School has announced that school pictures for grade 7-12 will be taken on Wednesday, October 2. Flyers with available packages and costs will be distributed in homerooms. Envelopes will be provided for payment. Payment must be brought to school the day the pictures are taken.
